Welcome to **titleplus.lawyerdonedeal.com** – an easy to use Web-based TitlePLUS Policy delivery system for residential real estate purchase and mortgage-only transactions involving freehold and condominium homes.

**titleplus.lawyerdonedeal.com** helps lawyers better serve their clients when they buy or refinance a home by streamlining the due diligence and making transactions more cost effective, as well as providing TitlePLUS protection. The Web-based application process takes only minutes to complete, provides instant approval in most cases, and enables you to generate all documentation related to the specific TitlePLUS insurance policy. Best of all, you can create your client's TitlePLUS Policy anytime, anywhere, as the website is available 24 hours a day, 7 days a week!
